Staging TAC _____

_____ TAC _____

_____ TAC _____

In the vertical tracking section of the worksheet write the assignment under Div/Grp and the unit assignment in the box below. This should also match the left to right tracking.

Continue filling in Div/Grp assignments and write the unit (s) assigned to that Div/Grp below.

Div / Grp	Div / Grp	Div / Grp	Div / Grp	Div / Grp	Div / Grp	On Deck	RIT Grp
FA / Div 2	Div 1	Vent	Med				CBRNE 8
E1	E201	(T1) R1	R4				

When more than one unit is assigned to a Div/Grp place a circle around the unit that is responsible for that Div/Grp

Indicate unit assignments in the left to right tracking section

Unit	Staged	Assignment	PAR	Recycle	Assignment	PAR	Recycle	As
E 1	X	FA / Div 2	3					
E 201	X	Div 1	4					
E 3	X	Blower						
E								
T 1	X	Vent	4					
T								
R 1	X	Vent	2					
R 4	X	Med						
CBRN8		RIT	4					
B 1	X	IC						

A single line indicates that a unit is "In-Transit" to a Div/Grp. When they arrive write the time above the line.

Indicate number of personnel in the IDLH area when announced.

PAR's and Recycle

Unit	Staged	Assignment	PAR	Recycle	Assignment	PAR	Recycle
E 1	X	FA	3	X			
E 201	X	Exposure 2	4				
E 3	X	Blower					
E							

One line indicates that a crew is exiting the structure and preparing to Recycle.

Unit	Staged	Assignment	PAR	Recycle	Assignment	PAR	Recycle
E 1	X	FA	3	X			
E 201	X	Exposure 2	4				
E 3	X	Blower					
E							

When the crew has exited the IDLH place a circle around the PAR.

When a crew indicates they have finished Recycling complete the "X"

Unit	Staged	Assignment	PAR	Recycle	Assignment	PAR	Recycle
E 1	X	FA	3	X			
E 201	X	Exposure 2	4				
E 3	X	Blower					
E							

Southern Nevada Fire Operations

Incident Command Worksheet

Senior Advisor	IC	Deputy IC
	E4 B1 Fremont	

When the IC changes place a line through the first IC and write in the new IC. This gives a history of who had Command.

Southern Nevada Fire Operations

Incident Command Worksheet

Senior Advisor	IC	Deputy IC
	E4 B1 Fremont E3	

When the IC changes continue to place a line through the last unit and place the new IC in the box

Place the time when personnel enter the structure.

BENCHMARKS

Personnel in IDLH 20 : 14 Water Supply Ventilation Water on Fire Utilities
 Primary Knockdown Under Control Secondary Loss Stopped

Place an "X" in the appropriate box when a Bench Mark has been completed.

Continue to track left to right and indicate new assignments when given.

The arrow indicates that a crew was re-assigned - They did not Re-cycle and they still have a PAR.

Unit	Staged	Assignment	PAR	Recycle	Assignment	PAR	Recycle	Assignment	PAR	Recycle
E1	X	FA	3	X	Div 2	3				
E201	X	Exposure	4	X	Search	3	X	Released		
E3	X	Blower			On Deck			Div 2	3	
E										
T1	X	Vent	4	X	Salvage	4		Div 2	4	
T										
R1	X	Vent	2	X	On Deck					
R4	X	Med								
CBRN8		RIT	4	X	Released					
B1	X	IC								
2 nd Alarm										

A circle around a unit indicates that they are out of the IDLH and have a PAR.

No circle indicates that unit is working in the IDLH
